Important Library News!

The health and safety of our patrons, volunteers and staff are a top priority. In light of the recent COVID-19 developments, the Bonner Springs City Library has made the following decisions about library services starting Friday, March 13th through Friday, April 3rd. We will continue to monitor the situation and may make other decisions or changes as needed. Stay up to date by following us on social media, checking our website, or calling the Library.

Immediate new protocols for the Library effective until Friday, April 3rd:

- All programs and events at the Library are cancelled.
- All use of the Library Meeting Room by the public is suspended.
- Book donations will not be accepted.
- All material returns must be put in the outside bookdrop or inside bookdrop; we will not take returns at the circulation desk.
- The Library will waive overdue fines for patrons unable or unwilling to come in due to the current situation. Please call the Library to arrange this or you can let us know when you do return with your materials.

At this time, the Library will remain open, and the Library is continuing to promote health and safety by increasing its practices of cleaning and sanitizing frequently touched surfaces. Please help us by washing your hands before and after handling materials, avoiding touching your face, and practicing social distancing. Thank you for your understanding and for helping us keep our community safe. If you have any questions, please call the Library at 913-441-2665.
National Library Week Bookmark Contest!

“Find Your Place at the Library” is this year’s theme for National Library Week. Artists from preschool to adult are invited to participate. All entries are due by Saturday, March 28. Winners will be announced during National Library Week, April 19 to April 25.

Paper SHRED Event!

The library will be sponsoring a paper SHRED Event! March 13 – 20. Bring in your old bills, files, statements, and envelopes, and place them in the secure carts during library hours.
