Adult Book Discussion on Zoom (or outside)
Tuesday, April 20, 6:00 pm
In a narrative as beguiling and mysterious as memory itself—shadowed and luminous at once—we read the story of fourteen-year-old Nathaniel, and his older sister, Rachel. In 1945, just after World War II, they stay behind in London when their parents move to Singapore, leaving them in the care of a mysterious figure named The Moth. They suspect he might be a criminal, and they grow both more convinced and less concerned as they come to know his eccentric crew of friends: men and women joined by a shared history of unspecified service during the war, all of whom seem, in some way, determined now to protect, and educate (in rather unusual ways) Rachel and Nathaniel. But are they really what and who they claim to be? And what does it mean when the siblings’ mother returns after months of silence without their father, explaining nothing, excusing nothing? A dozen years later, Nathaniel begins to uncover all that he didn’t know and understand in that time, and it is this journey—through facts, recollection, and imagination—that he narrates in this story.

National Library Week Spirit Week
April 8-9, 2021

Here are this year’s themes:

Tuesday - Favorite Book Character Day
Wednesday - Wacky Wednesday
Thursday - Pajama Day
Friday - Favorite Sports Team Day
